Rates must be loaded by 14 December 2020. The Premier Global Hotel Program rate will be loaded into and reservations accepted through the GDS systems, in addition to the central reservations office, the hotel reservation department, and through established Internet booking engines.

The hotel agrees to advise Premier Global Hotel Program of special promotional and seasonal rates throughout the contract period and provide accessibility through the GDS.

Block Space Program *Terms and Conditions*

The Premier Global Hotel Program Block Space Program is strongly encouraged for hotels to participate in to gain greater exposure and goodwill with Premier Global Hotel Program agencies and **at no cost to your hotel**. It is the perfect way to introduce and convert a traveler to your hotel when they would have otherwise stayed elsewhere. *Participating hotels receive highlighted listings in our directories (as available) and are featured in our program brochure.* The block only applies when there is a sold-out situation, defined as when a room in each negotiated room category is no longer available through the various GDS, the Central Reservation Office or property Reservation Department. Access to Block Space rooms applies to each room type as sold out. Suites are exempt except in all-suite hotels.

Hotels are in complete control over the terms for which the blocks are offered. The daily allotment of blocked rooms is determined at the hotel's discretion (recommended between **2 to 6 rooms**), but must be consistent over the contract period. A 24-hour release period is preferred. However, hotels have the option to select a 48 or 72-hour release as well. Hotels have the flexibility to designate the rate that will be applied for block space usage. This rate can be full Rack, Corporate, BAR, ABC or CCR rates. Finally, hotels can identify up to 24 individual blackout dates in advance (no later than 01 December 2020) where the Block Space will not be allowed under any circumstances.

The Premier Global Hotel Program Block Space Program is closely managed by the ABC Premier Desk. ABC subscribing agencies contact the Premier Desk, who will contact the designated property to make the reservation. Premier Desk agents WILL ALWAYS IDENTIFY THEMSELVES USING THE EXCLUSIVE ABC RATE CODE. If no code is given, refer the caller to the Premier Desk. Reservations not made through the Premier Desk will not be considered as part of the Block Space inventory. All cancellations revert back into the ABC block space inventory.
