21c Museum Hotels joins the MGallery Hotel Collection, a global network of storied boutique hotels dedicated to lovers of art, literature, culture and design.

Combining a free contemporary art museum, a boutique hotel and a chef-driven restaurant, 21c offers a new travel experience, thoughtfully designed in response to each property's local context and community. And a 21c Museum Hotel lives up to its name. Art is around every corner – in the elevator, lobbies, stairwells, suspended from ceilings, at the reception desk, and in the restaurant – and becomes an unexpected encounter, a new idea, a starting point for lively conversation.

Destination information

This property, which will be adorned with exquisite Mexican architecture, will be the first French five-star hotel in Mexico, built in one of the most recognized and emblematic avenues of Mexico City: Paseo de la Reforma, and will preserve the historical components of great value as the building created by the architect Rafael C. Goyeneche in 1958, taking all the necessary precautions to integrate it as part of the hotel.

THE CENTURY PLAZA, A FAIRMONT HOTEL, LOS ANGELES

Q1 2020

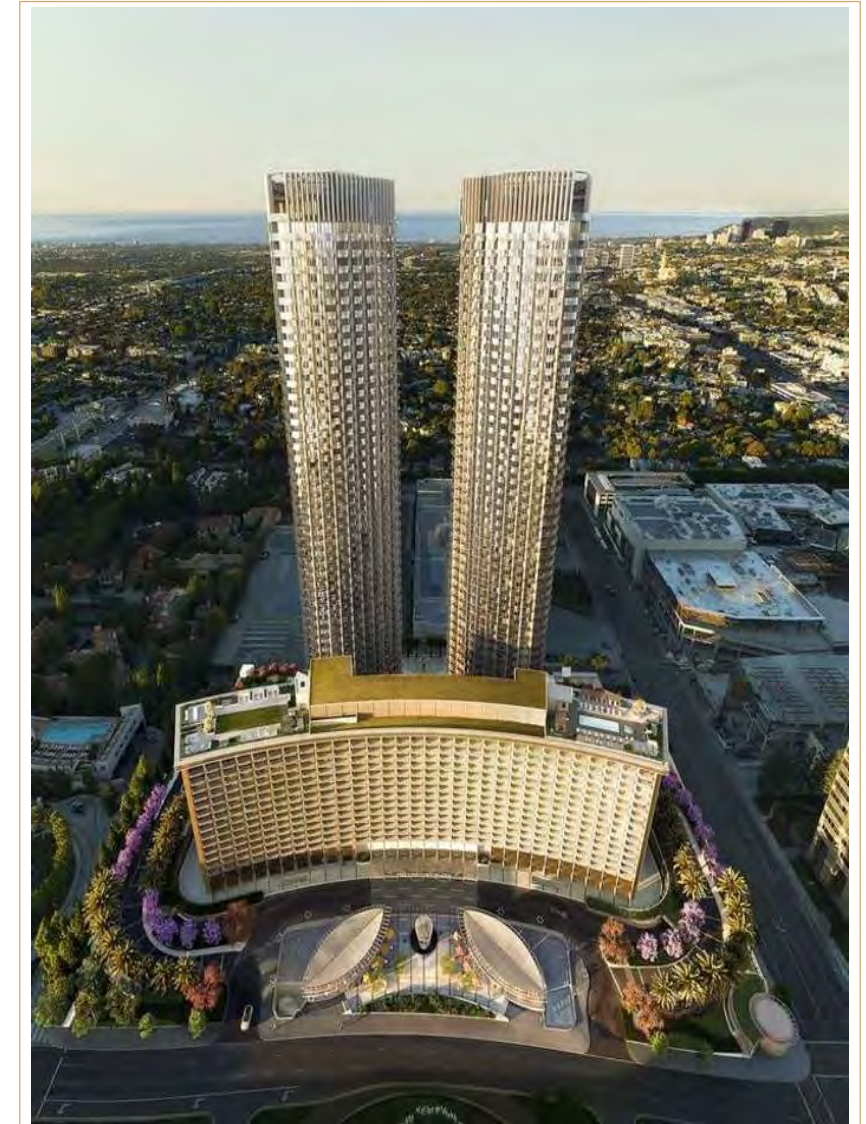

The Century Plaza, 2025 Avenue of the Stars, Los Angeles, CA 90067, USA

Hotel Specifications

- 394 non-smoking guestrooms, all with balconies/patios
- 24,000 sq.ft. of total indoor meeting space
- 3 food & beverage outlets

Destination information

Fairmont Century Plaza will be the centerpiece for a highly walkable enclave where anything a discerning traveler could want can be found within the wood and glass walls, or just steps beyond them. Fairmont Century Plaza has called upon the brightest design and architectural minds to construct more than just a “Los Angeles” hotel. Our experience is at the core of a city within a city, out to redefine what it means to live, work, and play in Southern California. Beginning with the Hotel and City’s master planned origins, this is the place where everything is by design.
