

# MARRIOTT BONVOY™

**YOUR WELCOME AWAITS**

When you begin to travel, we will be ready to welcome you with the following Program updates:

### **All Members — Our Lowest Redemption Rates**

To help you with your exploration, we'll be putting over 5,500 properties around the world on Off-Peak redemption rates for bookings made during June 15–30 for stay dates through July 31. This means that whether you're staying close to home or venturing farther, you can get our lowest redemption rates of the year.

### Elite Members — 50% Extra Elite Night Credits

Given the disruption in your travel plans this year, we will be giving you a head start toward earning status next year by depositing 50% of the Elite Night Credits (“ENCs”) into your account based on your 2019 earned Elite status tier. Your 2019 earned status has already been renewed through February 2022, so these additional ENCs will jump-start your ability to move quickly to the next Elite tier. You will see these additional ENCs deposited in your account in late July.

ELITE STATUS TIER EARNED IN 2019	ANNUAL TIER REQUIREMENTS	50% ELITE NIGHT CREDITS (ENC) DEPOSIT
Ambassador Elite	100 Qualifying Nights AND US\$20,000 stay spend	50 Elite Night Credits
Titanium Elite	75 Qualifying Nights	38 Elite Night Credits
Platinum Elite	50 Qualifying Nights	25 Elite Night Credits
Gold Elite	25 Qualifying Nights	13 Elite Night Credits
Silver Elite	10 Qualifying Nights	5 Elite Night Credits
Member	Not Applicable	Not Applicable

And for Marriott Bonvoy credit card members, these additional ENCs are on top of the ones awarded from eligible Marriott Bonvoy credit cards you may hold. For more information on Marriott Bonvoy credit

cards and how they can help you earn Elite status, visit our credit cards page on [marriott.com](https://www.marriott.com).

### **Ambassador Members — Share the Gift of Platinum Elite Status**

As our most frequent guests — beyond the 50 ENCs that will get you closer to your next Annual Choice Benefit and will count towards Lifetime status, we have an additional offering just for you — Ambassador members who earned status in 2019 and reach 100 ENCs this year will be able to share Platinum Elite status with a friend, family member or loved one. It's one small way that you can share the gift of good travel with someone special. Qualifying members will receive an email with details starting in late July through the end of the year.

As a reminder, we announced several Program updates earlier this year that extended your benefits so that you have ample time to experience and enjoy them:

- **Status Extension:** You'll be able to enjoy the status that you earned in 2019 through February 2022.
- **Points Expiration:** The expiration of points will be paused until February 2021, which provides you additional time to redeem your points.
- **Suite Night Awards™ (SNAs):** The expiration of your suite nights has been extended by one year, so you can use them through December 31, 2021.
- **Free Night Award (FNA):** Eligible Free Night Awards have now been extended to January 31, 2021.

We're all looking forward to venturing out and traveling again. Now more than ever, we thank you for being one of our most loyal members. Stay well and travel well. We look forward to welcoming you soon.
