Welcome to the 2021 ABC•CCRA PREMIER GLOBAL HOTEL PROGRAM

Dear Travel Partner,

Our industry has just weathered the most difficult crisis it has ever seen. Eighteen months after the pandemic's onset, we see more and more signs of a strong recovery — the number of vaccinated individuals continues to grow, border restrictions are lifting, and travelers are anxious to get back on the road after more than a year stuck at home.

During this difficult time, ABC•CCRA has been hard at work strengthening strategic industry relationships and building the broadest, most diverse hotel program in our history — thanks to our long track record of growth and providing tangible value to our agency and supplier partners. Many hotels this year have opted to work with us on an exclusive or semi-exclusive basis, and several of our existing partners have increased their participation -- adding most or all of their properties to our program.

We are proud to announce that our 2021 ABC•CCRA Premier Global Hotel Program is the largest hotel consortia program in the industry -- featuring more than 53,000 hotels and 10,000 cities in 185 countries and covering every tier from luxury to economy and everything in between. Within the portfolio you will find hotels to meet any traveler's needs. We feature hundreds of brands and chains, as well as one-of-a-kind independent properties. We have also added a new ABC•CCRA vacation rental offering, providing access to more than 175,000 professionally managed homes and villas around the world.

We continue to broaden the value of our program for you, our agency clients. Nearly 30,000 of our hotel partners provide discounts as high as 40 percent off best-available rate. Three-quarters of our hotels include free Wi-Fi; nearly half include free breakfast; and one in six offers early check-in and/or late check-out benefits. All rates in the program offer guaranteed commissions.

Another important benefit we continue to expand is Premier Privileges, our corporate VIP program with over 1,300 high-end properties providing exclusive amenities for your important clients.

As an ABC•CCRA client, this puts you in the best position to take advantage of the coming recovery. With all your clients' hotel needs met within a single program, your agency can simplify rate-loading requirements, content displays and agent training. Combined with our other offerings, such as the ABC•CCRA International Air Program and CCRA 24/7 Call Center Solutions, you will be prepared to fully satisfy your clients' expectations in content and service -- all with one company.

We are excited to present our 2021 ABC•CCRA Premier Global Hotel Program, larger and better than ever, and ready to deliver more to your business and your clients.

For travel advisors, matching clients to the right hotel is no easy task. Among the numerous considerations, one must determine is what location best suits their clients' needs, whether essential amenities such as breakfast or Wi-Fi are included in the rate and if it fits in the clients' budget. We make it easier for agents to find those answers and "Get More" with ABC-CCRA.

So we're offering help on another question you might not have considered: ***"What sort of rewards do both my clients and I get for our loyalty?"*** In this guide, we've put together a list of participating partners who offer loyalty programs for you and/or your clients. The list also includes supplier support information for inquiries related to commissions and GDS bookings.

24/7 CALL CENTER
SOLUTIONS

When the Weather is at its Worst...We're at our Best.

Why Choose CCRA 24/7 Call Center Solutions?

We've got over 47 years of expertise to put to work for you. Find out why so many of the top 100 travel agencies trust us with their greatest asset - their travelers. Imagine what that could mean for your employee travel!

Real Industry Expertise

Our CCRA call center agents are the elite. They average more than 10 years of experience, have deep GDS expertise, and are distributed all over the US. That means no matter what, we've got the right agent with the right tools in the right location to meet your travelers' needs.

A Real Difference In Hold Times

We rarely face an understaffing issue. We never need to borrow agents from "sister" companies...nor do we already have our entire staff scheduled on weekend days, with no additional help available. We accept all calls during emergency situations. We do not put callers back on hold...and CCRA never busies out our lines or refuses calls that are not for travel in the next 12 hours.

VIP Desk for Executive Employees

Our VIP Desk is not just an expedited answer feature. It also provides your executive level employees with rapid, first-class global assistance that they expect. The VIP Desk is staffed with full-time agents with at least ten years of travel industry expertise to ensure the best possible service.

Did We Mention These?

Need a few more reasons to look to CCRA for your travel department's after-hours call center needs?

- No-charge service fees
- VIP "personal touch" numbers
- Airport delay advisory
- Language Interpreter service
- Personalized UIFN
- A dedicated account manager
- All calls digitally recorded
- Whisper and pop-up technology
- Personalized toll-free numbers
- Real-time online reporting
- Secure facility backup
- Stringent data protection policies
