Dear Virtuoso Members,

Three years ago, the Advantage for Virtuoso Hotel Program sprang from a need within our member agency community for upscale hotel options which would provide their travelers with excellent service, good value and exclusive amenities. We purposefully chose ABC Global Services to create and manage this program, based on their track record of delivering tangible value to both their hotel and agency customers for decades.

As we reemerge from the downturn our industry has experienced over the last 18 months, we see leisure travel demand surging. Virtuoso and its member agencies intend to capitalize on that demand, partnering even closer with our key suppliers, such as ABC. The need for Advantage is more critical than ever, so we thank you for your support.

Originally a 13th century monastery, this five-star luxury rated property is a fine example of a sympathetically refurbished monument. It's perched on top of an 80-meter cliff with spectacular views of the Amalfi coast, and just a five-minute walk to the Amalfi harbor and town center.

Cliffrose Springdale, Curio Collection by Hilton
