Trip Advisor 2021

Red Roof has implemented rigorous enhanced cleaning protocols with EPA approved products and in alignment with the American Hotel Lodging Association's Safe Stay.

Common Areas

Additional sanitation of high-touch points in common areas. Sanitizing exterior and corridor touchpoints four times per day. Encouraging continued social distancing in all public areas of its properties.

In-room

Hotel staff are being asked to be extra diligent in sanitizing guest rooms. Room cleaning frequency during a guest's stay may be altered based on guest requirements. We recommend that linens, towels and laundry are washed in accordance with the Centers for Disease Control (CDC) guidelines. Dirty linen should be bagged in the guest room to eliminate excess contact while being transported to the laundry facility.

Visit [redroof.com](https://www.redroof.com) for more details.

Traveling with your pet?

Don't forget at Red Roof 'you stay happy, pets stay free'!
One well-behaved domestic pet is welcome
per room, nationwide.

Pet accommodations policy may vary at some HomeTowne Studios by Red Roof and The Red Collection locations. To verify a hotel's pet policy, please review hotel information online at redroof.com or by contacting the hotel directly.
