“

Being recognized as the best car rental company in North America by Business Traveler is a great honor for us.

At the same time, it motivates us to continuously improve the customer experience, especially for business travelers.

The introduction of our Mobile Check-in service is just one example of how we help customers save time and get on the road faster than ever.

SIXT will continue to invest in innovations as well as in the expansion of our premium fleet.

WE INTRODUCE
SIXT MOBILE CHECK-IN

For a faster and smarter pick-up experience thanks to online document verification and express key handover

MADE FOR YOUR CUSTOMERS

- 1** Secure upload and check of documents in advance via smartphone
- 2** Convenient selection of a vehicle and extras before pick-up
- 3** No more waiting in line; your customers can go directly to the key handover point

HOW DO I ENABLE MY CUSTOMERS TO SAVE TIME WITH MOBILE CHECK-IN?

HOW TO BOOK:

With one of these options, you can offer your customers SIXT Mobile Check-in.

By entering the customer's **personal e-mail address** or SIXT Business profile number (ID) in the GDS or SIXT Partner Hub, the online check-in process on the smartphone is activated for the customer.

When booking via GDS, one of these GDS commands needs to be entered:

/EM-

Enter a valid e-mail address of your customer.

e.g:

CSSXMUCC0125OCT-2/

ARR-1000-1000/VT-FDMR

/EM-FIRSTNAME.SURNAME@COMPANY.COM*

*Only applicable in the Car Sell element and must be inserted at the end of the command.

/ID-

Enter the SIXT Business profile number (ID).

e.g:

CSSXMUCC0125OCT-2/ARR-1000-1000/
VTFDMR/**ID-31259630**
