FOUR GREAT BRANDS UNDER ONE ROOF

THE Red COLLECTION

In 1973, Ohio-native, James Trueman founded Red Roof in Columbus, OH with the intention to provide guests a clean, comfortable room at an affordable price -- \$8.50 per night!

50 years later, we may not be selling rooms at the same price, but our philosophy remains unchanged.

To this day, Red Roof offers an affordable stay without giving up quality or convenience. Red Roof provides the comforts of home on the road and treats each guest as we would like to be treated.

And we back everything up with our Red Roof Hassle-Free Guarantee.

It's **incREDible** – we offer our guests what they want at a price they can afford.

700 locations across the USA and 2 in Japan

including 79 **Red Roof PLUS+**, 72 **HomeTowne Studios by Red Roof**,
and 5 properties in **The Red Collection**

Need a room? We have over 60,000 of them in 43 states across the country as well as internationally in Japan!

Trip Advisor 2021-2022

Red Roof has implemented rigorous enhanced cleaning protocols with EPA approved products and in alignment with the American Hotel Lodging Association's Safe Stay.

Common Areas

Additional sanitation of high-touch points in common areas. Sanitizing exterior and corridor touchpoints four times per day. Encouraging continued social distancing in all public areas of its properties.

In-room

Hotel staff are being asked to be extra diligent in sanitizing guest rooms. Room cleaning frequency during a guest's stay may be altered based on guest requirements. We recommend that linens, towels and laundry are washed in accordance with the Centers for Disease Control (CDC) guidelines. Dirty linen should be bagged in the guest room to eliminate excess contact while being transported to the laundry facility.
