

Emirates & flydubai Codeshare Mapping Change

Dear Trade Partner,

Effective **12 May 2026**, flydubai (FZ) will realign its booking class (RBD) hierarchy. As a result, the RBDs on existing flydubai bookings will be changed. **All affected interline bookings issued on 176 ticket stock will require reissuance.**

Please note:

- No action is required for codeshare bookings, as there will be **no changes to Emirates (EK) marketed flight RBDs**
- This update applies specifically to **flydubai interline itineraries (FZ prime flights)**, where RBDs on FZ operated sectors will be aligned with Emirates RBD structures

Key actions for travel partners:

- **All GDS bookings** must be reissued by the respective travel agency
- Customers who booked through travel agencies will be notified and advised to contact their agency for an updated ticket
- All PNRs must be reissued prior to the travel date
- Mandatory Endorsement: "FZ RBD CHG"
