AIR INDIA RECOGNISED BY SKYTRAX WITH 4-STAR AIRLINE RATING

Dear Travel Partner,

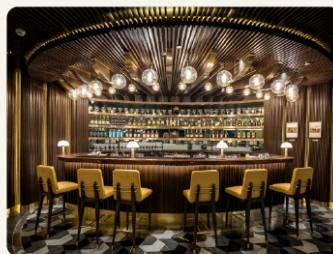

Air India has been awarded the prestigious Skytrax 4-Star Airline Rating for both Business Class and Economy Class, marking another important milestone in its transformation journey under the Vihaan.AI programme

This recognition reflects Air India's continued focus on elevating the customer experience across every stage of the journey.

At the heart of this transformation is Air India's ambitious fleet modernisation programme, including the introduction of the Airbus A350 and new Boeing 787-9 aircraft, alongside the ongoing retrofit of legacy aircraft with refreshed cabin interiors. Today, over 120 upgraded aircraft are already in service across the network.

The onboard experience has also been significantly upgraded through enhanced crew training, refreshed dining and soft product offerings, expanded inflight entertainment, and the progressive rollout of onboard Wi-Fi connectivity. Further strengthening this transformation is the overhaul of Air India's digital ecosystem, including a new website and mobile app, AI-powered customer support, faster response times, and improved issue resolution capabilities, delivering a more intuitive and responsive customer experience.
