Dubai Connect (STPC)

Dear Trade Partner,

We plan our flights so that most itineraries have a good connection time in Dubai. But if customers have a longer connection between 6 and 26 hours, you can offer them our [Dubai Connect \(STPC\)](#) service.

We take care of their comfort with complimentary hotels, meals, and transfers, offering a seamless Emirates hospitality experience from departure to arrival.

We've made our service even better, extending Dubai Connect to more customers with greater flexibility.

What's Changed?

- Now you can **book up to 12 hours before departure**, reduced from 24 hours
- We've **reduced the minimum transit time** from 8 hours to 6 hours for Economy Class and Premium Economy travellers
- We've **reduced the minimum spend** to qualify for the service. Customers now only need to spend USD 450 for a one-way flight (reduced from USD 700) and USD 700 (reduced from USD 1,000) for a return

You can book Dubai Connect for your customers or they can add it to their booking through [Manage Your Booking](#) on emirates.com
