Tiare Specialist Spotlight

In this Tiare Specialist Spotlight, we are delighted to feature **Chelsea Howell** of **Ultimate Jet Vacations**, a dedicated travel advisor who has embraced the Nui Hub journey and elevated her expertise in meaningful ways.

Air Tahiti Nui: Can you share an example of how the knowledge from Nui Hub helped you close a sale or better serve a client?

Chelsea Howell:

I went onto Nui Hub so I can see what exactly sets Air Tahiti Nui apart from other airlines. With the detailed information provided in the Nui Hub, I was able to help my clients visualize what their experience would feel like onboard, thus winning them over.

Air Tahiti Nui: Would you say graduating from Nui Hub has elevated your role as a trusted travel expert?

Chelsea Howell:

Most definitely. I've had basic knowledge of the airline and its offerings, but after graduating from Nui Hub I have an in-depth perspective as to what our clients will experience when flying with Air Tahiti Nui, which has given me more confidence.

Air Tahiti Nui: What would you say to a fellow travel advisor who's considering joining Nui Hub but hasn't signed up yet?

Chelsea Howell:

What are you waiting for? It's so easy to sign up, and once you do, you have access to a lot of useful information regarding the product, as well as the information you need if booking via the GDS. Not to mention, you'll have access to agent rates and offers.

Chelsea Howell's journey illustrates how Nui Hub goes beyond traditional training—empowering advisors with the insight, confidence, and storytelling ability needed to inspire clients and close with ease.

If you haven't yet enrolled, or if you're ready to complete your e-learning modules, now is the perfect moment to begin your own journey with Air Tahiti Nui as a Tiare Specialist.
