

Summer Travel Peak Begins

Dear Trade Partner,

As the summer holiday travel season gets underway, Emirates is preparing for a busy period across its network and is encouraging customers travelling through Dubai International Airport (DXB) to plan ahead for a smoother journey. Emirates expects high passenger volumes throughout the summer months and recommends allowing extra time at the airport.

Key Travel Reminders for Your Customers:

- * **Arrive at the airport at least 3 hours before departure**
- * **Pass through immigration 90 minutes before departure**
- * **Be at the boarding gate 60 minutes before departure**

Take Advantage of Convenient Check-In Options -

To reduce airport waiting times, travellers can:

- * Check in online or via the Emirates app up to **48 hours before departure**
- * Download digital boarding passes (where available)
- * Manage bookings, select seats, and receive flight notifications directly from the app

For customers travelling **from Dubai:**

- * Early baggage drop is available up to **12 hours before departure** (24 hours for other destinations)

Airport Efficiency Tips -

Travellers are advised to:

- * Allow extra time for traffic, security screening, and transfers between concourses
- * Use Emirates self-service kiosks and bag-drop facilities where available
- * Pack smart and review baggage regulations before travelling, particularly regarding power banks, smart bags, and electronic devices

Travelling Through Dubai -

For greater convenience, customers should consider:

- * Utilising the Dubai Metro for direct access to Emirates Terminal 3
- * Utilising complimentary train and shuttle services available between concourses within DXB
- * Emirates Skywards members can register for biometric services on the Emirates app before travelling for a faster airport experience
