

Qantas launches first non-stop flights between Las Vegas and Australia

The new seasonal service will fly between Las Vegas and Sydney from the end of December 2026 through to March 2027. The direct route will help customers save up to five hours in total travel time by eliminating the need for connections through another US city.*

Australia to the world, non-stop: Qantas to launch history-making flights

Qantas is set to launch its world-first non-stop services between Sydney and London from October 2027. Project Sunrise will eventually connect

Australia's east coast with other international destinations, with Sydney-New York confirmed as the next service to follow Sydney-London. Launch timing for these services will be announced next year.

Tips to avoid Agent Debit Memos

- Include valid tour codes, waiver codes, and authority numbers on applicable tickets.
- Waiver codes and authority numbers are required for involuntary schedule change reissues and refunds. Always add applicable tour codes when reissuing a ticket as well.

Additional reminders

- [Changes to additional baggage fees as of 9 June 2026](#)
- [Changes to Qantas domestic fees for tickets issued on/after 1 July 2026](#)
- QF16/QF15 Los Angeles (LAX) - Brisbane (BNE) is operating on an Airbus A330-200 through 24 October 2026
