

SUMMER IS HERE

As we now truly enter the summer months, I would like to take this opportunity to extend a warm thank you for your continued trust and collaboration during the first half of the year.

It has been a period marked by development and progress, despite challenges caused by external factors. We have expanded with more destinations in Asia, established partnerships with several airlines to enable seamless travel worldwide, launched high-speed WiFi onboard, been named the most punctual airline in Europe and the world, and—last but not least—entered a milestone year as SAS celebrates 80 years in the air.

We are delighted to have you with us on this journey and proud of what we have achieved together so far this year, while looking forward to what comes next.

Through the link below, you can explore some of this year's highlights and gain insight into what lies ahead.

Whether you are traveling for business or planning your summer trips, we hope to welcome you onboard again soon. We wish you a wonderful summer and a relaxing holiday!

Warm regards,
Ed Fotheringham
VP Global Sales
SAS
