

Dear Travel Partner,

We're excited to announce that **on March 31st, 2027, LOT will launch nonstop flights between Warsaw (WAW) and Hanoi, Vietnam (HAN)**, opening up convenient new travel options for your clients.

Flights will be operated by our Boeing 787 Dreamliners, with a frequency of three flights per week, year-round. The new service offers one-stop convenient connections from most of LOT North American gateways to Hanoi and back.

Even better, travelers can take advantage of the [LOT Stopover program](#), allowing them to spend time exploring Warsaw before continuing to Vietnam - adding even more value and flexibility to their itinerary.
