

Dear Partner,

Qatar Airways would like to inform you that the launch of services to **Bogotá and Caracas** has been rescheduled and will now commence on **4 November 2026**.

As both destinations are served as part of the same flight routing, the revised launch date applies to services to both cities.

We look forward to welcoming passengers on these new routes and will share further operational updates as required.

Our thoughts remain with everyone affected by the recent earthquakes in Colombia and Venezuela, and we extend our sincere sympathies to all those impacted.

Thank you for your continued support.

Regards
