

Valued Travel Partner,

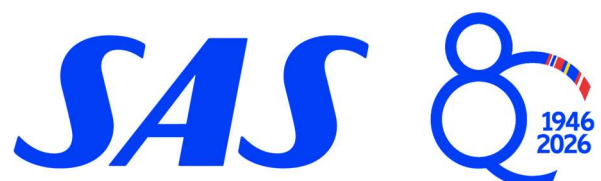

Exciting News!

With all 81 A320neo aircraft now equipped, high-speed WiFi from Starlink is available on a significant share of SAS' European flights. Through SAS' partnership with 3, EuroBonus members can access the service free of charge, whether they want to work, stream, stay in touch or simply browse the internet throughout their journey.

Link to entire press release below and encourage your travelers to sign up for Euro Bonus.
